Why should you be a *hipcil* member?

Dear Friends,

Our mission of "Empowering people with disabilities to achieve independent living through outreach, education, and advocacy" remains as strong today as it has been for the past 46 years. Through our comprehensive core services, we offer invaluable support to hundreds of individuals each year at our Bergen and Hudson County CILs. These services include independent living skills training, peer support, advocacy, information & referral, and transition services for youth and adults.

Some participants benefit from support groups or personalized case management, while others receive assistance with home modifications or essential disability equipment. Students thrive through our transition services, and individuals with developmental disabilities are guided by our expert Support Coordinators. Additionally, our exciting events promote peer support and community involvement, fostering a sense of belonging.

By becoming a member, you'll receive our newsletter, informational flyers, and reduced rates for certain special events. Most importantly, your membership helps sustain *hipcil's* positive impact on the lives of people with disabilities.

Sincerely,

Marily Gonzalez- Escobar

Marily Gonzalez- Escobar,
President/CEO
